

# INSURANCE: A SOCIAL SECURITY TOOL

# A TOOL FOR SOCIAL SECURITY

---

- Life insurance is one of the most effective tools of social security across the globe.
- Absence of which to the common people, society will have no redressal for:
  - Elderly Masses
  - Widows or Orphans
- Factories will have to be scrapped after a fire
- Houses will not be rebuilt after a disaster

---

**Thus to ensure that family left behind continues to enjoy the same privileges in society, life insurance is the best and only social security tool against unforeseen eventualities!**
